

Intro to OD4

Georgia Allen, DO

Doctoring Course Coordinator OMS II

January 05, 2026

OD4 Mandatory Events

- There are 35 (thirty-five) mandatory events in OD4
- Mandatory events include all labs, mandatory lectures, IPE, Practical Exams, and OSCE.
- Students who miss 8 (eight) or more (greater than 21% of the mandatory events in a course, per the TUCOM attendance policy), will automatically receive a NP for the course and will be considered ineligible for remediation.
- Missing 5 mandatory events will require a student to meet with the Associate Dean of Academic Affairs.
- Missing 3 mandatory events will require a student to meet with the OD4 Course Coordinator

Mandatory Course Core requirements

- Pediatric Online Module-quizzes must be completed by April 18
- Structural Competency events-mandatory attendance at all lectures and labs
- Clinical Integrations-must attend 3 of 4 sessions to earn 10% points attributable to the Professionalism competency.
- ECE
- IPE
- Failure to complete a Mandatory Course Core requirement by the last day of class will result in a failure in the Professionalism Competency

ECE

- Must participate in one ECE per semester, submit the necessary form after completion, as well as provide the preceptor with a form for completion, to earn 5% points in Professionalism
- ECE details and information found on the OD4 Home page: Blue button hyperlink
- Traci Stevenson, DO- ECE Faculty lead

OSCE

- **High Stakes Exam-30% of the OPP Core Competency**
- **March 09-18 Students will be scheduled for one exam date/time**
- **Signature event in the Interpersonal and Communication Skills-ICS competency**
