

Cartilage and Bone Unlabeled Histology Images for Student Use

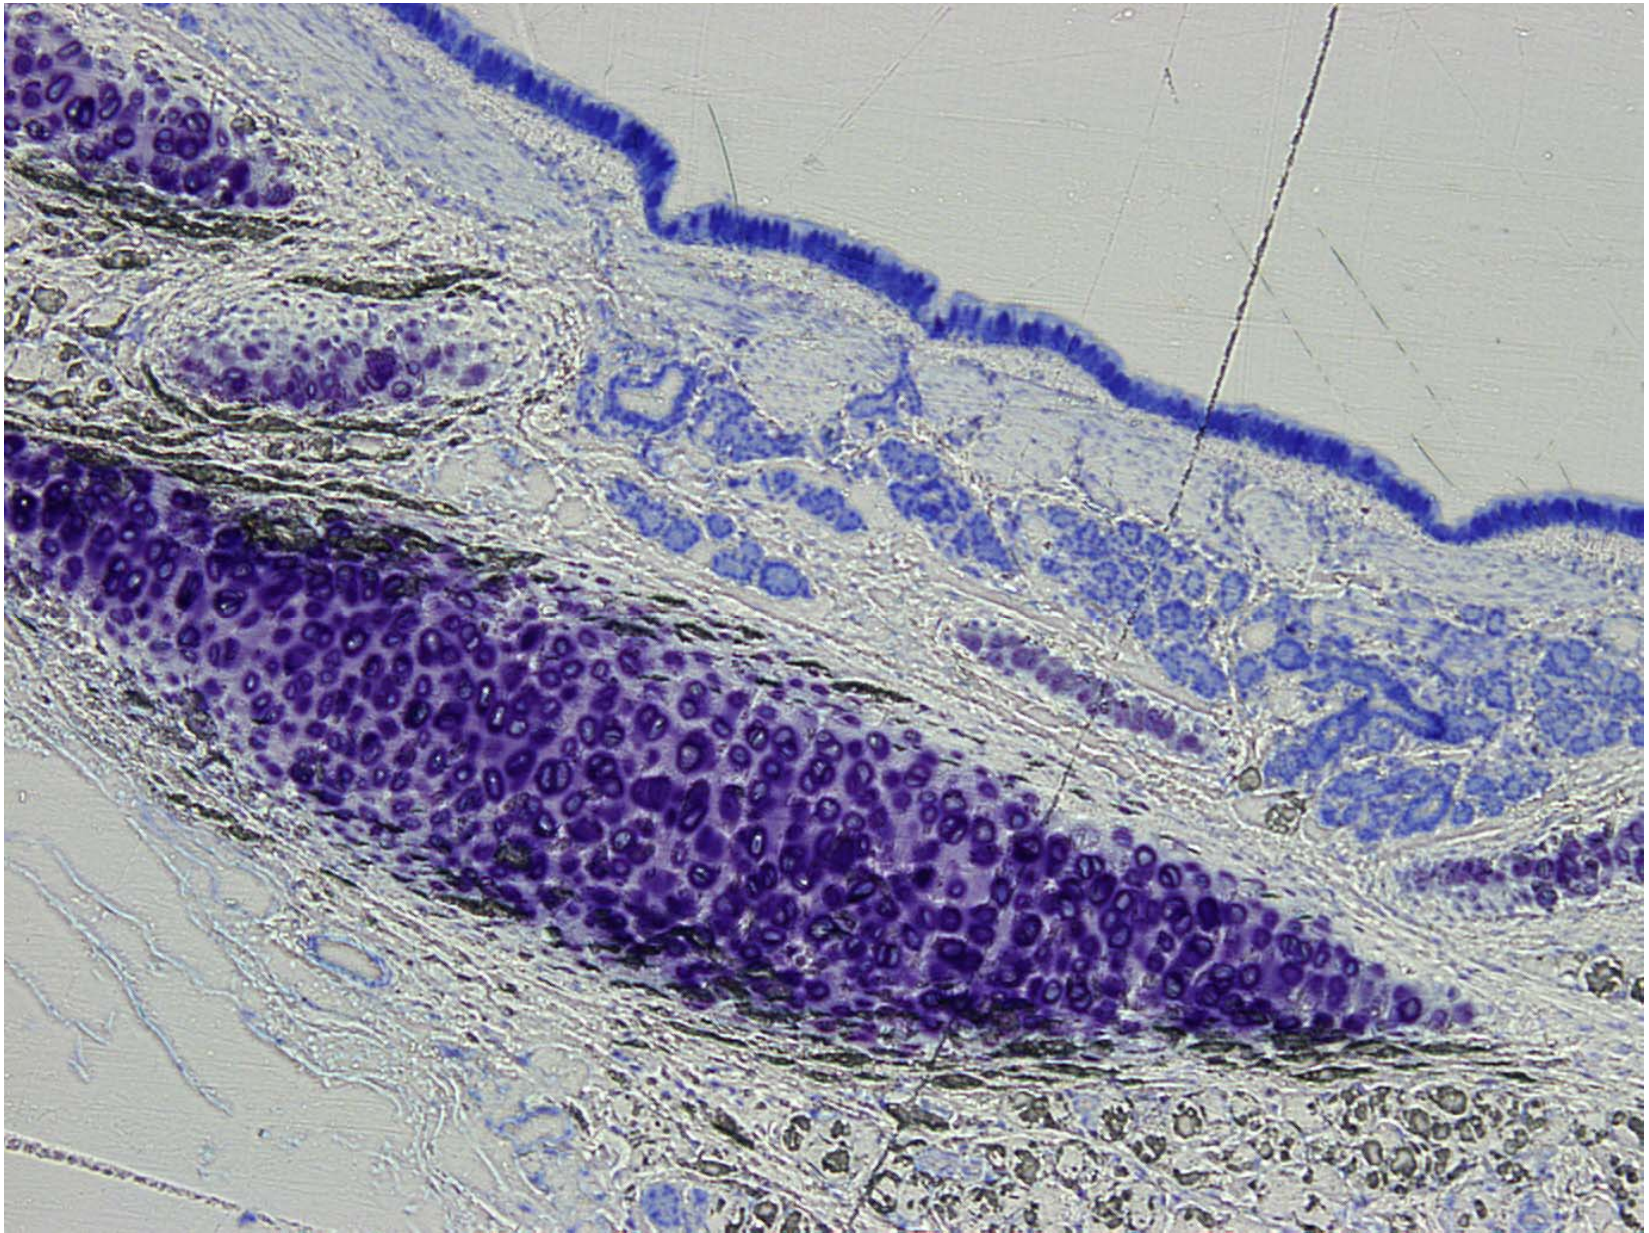

B. Puder, Ph.D.

Trachea and esophagus – hyaline cartilage

Trachea and esophagus – hyaline cartilage (high magnification)

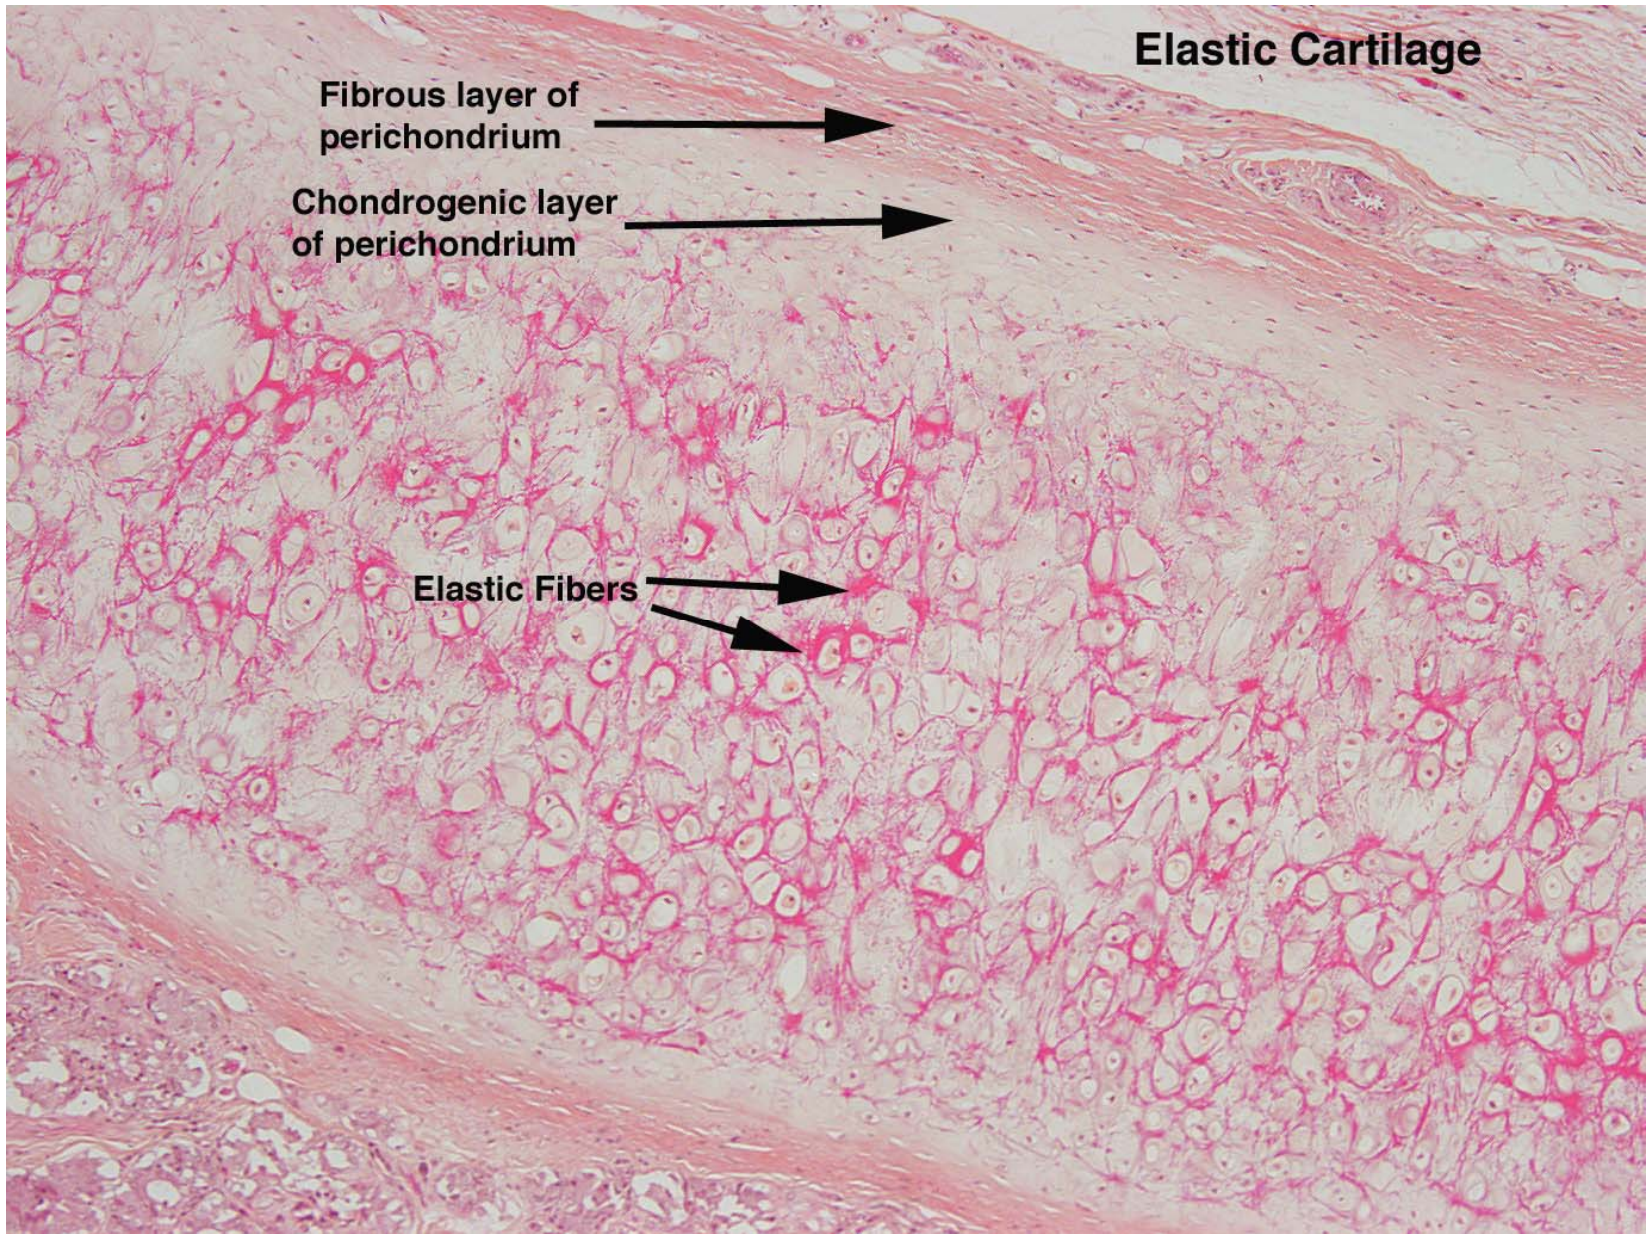

Lungs and bronchi – hyaline cartilage

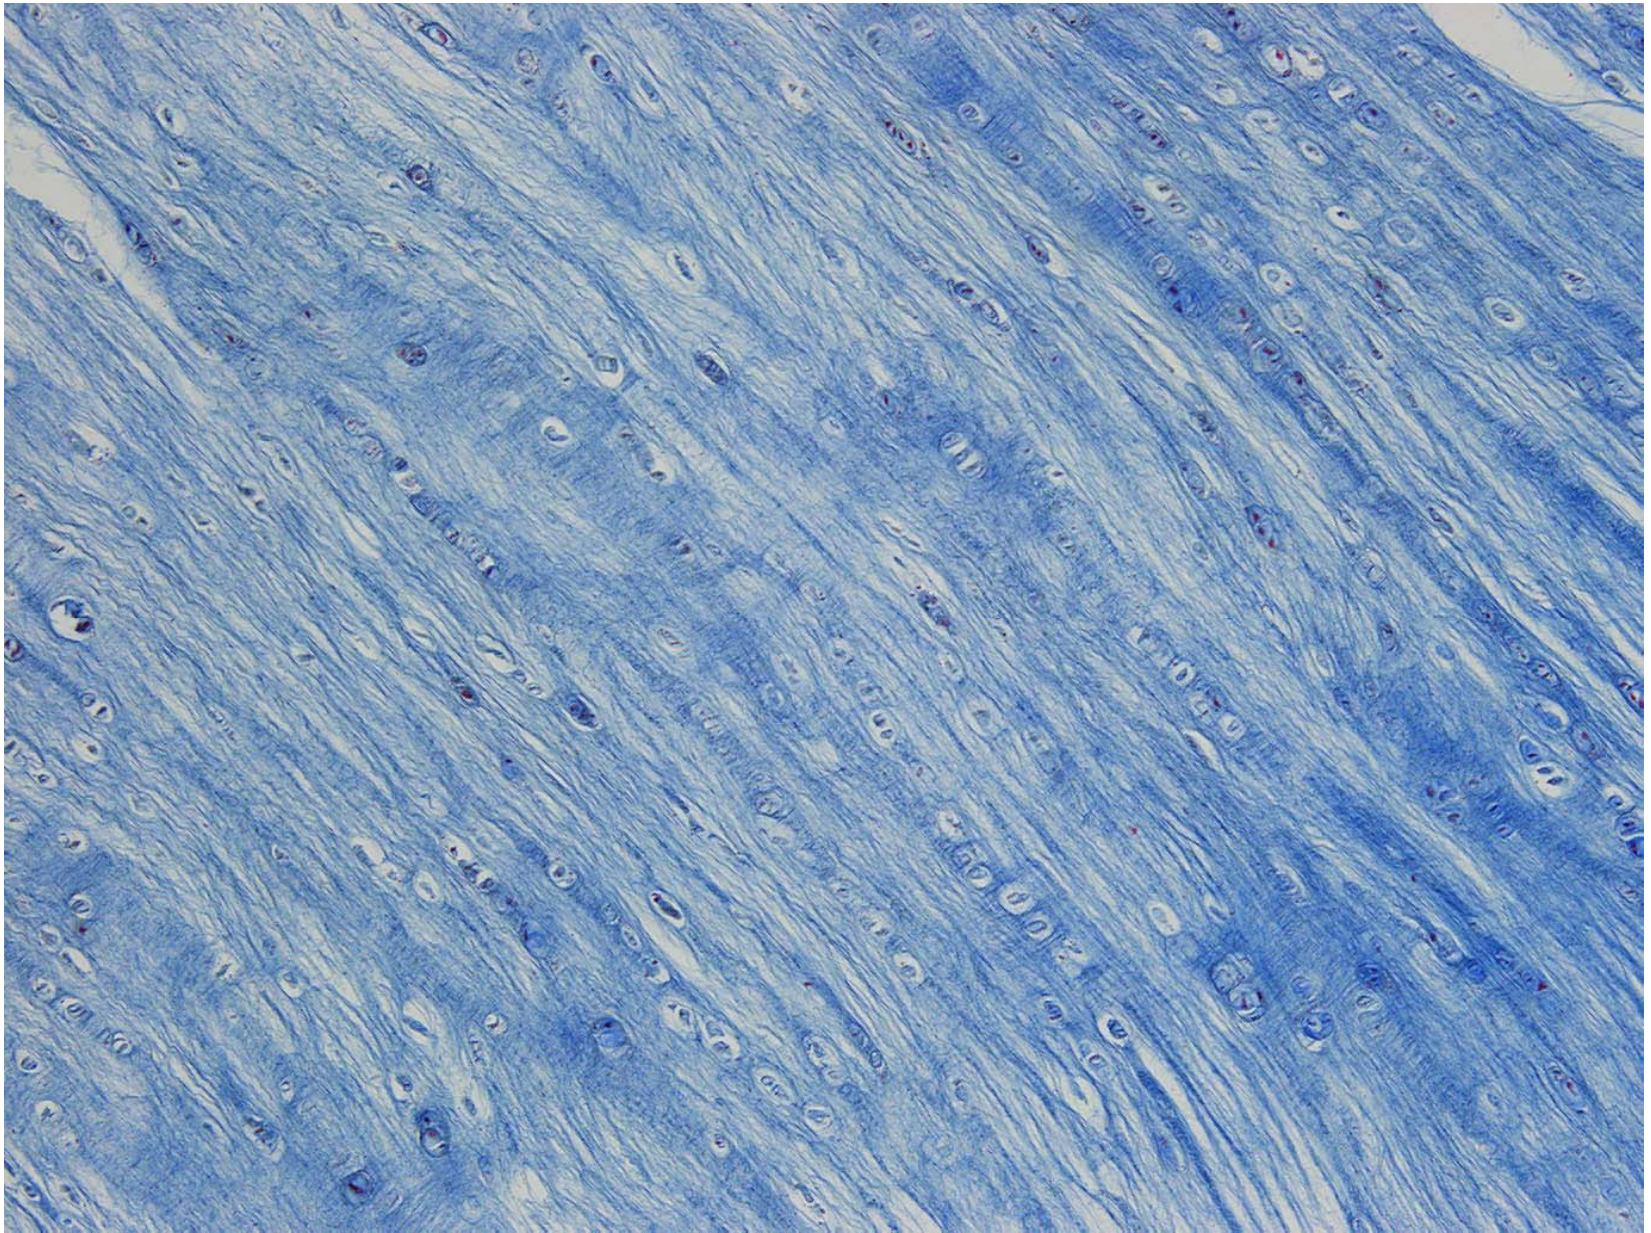

Elastic Cartilage

Fibrous layer of
perichondrium

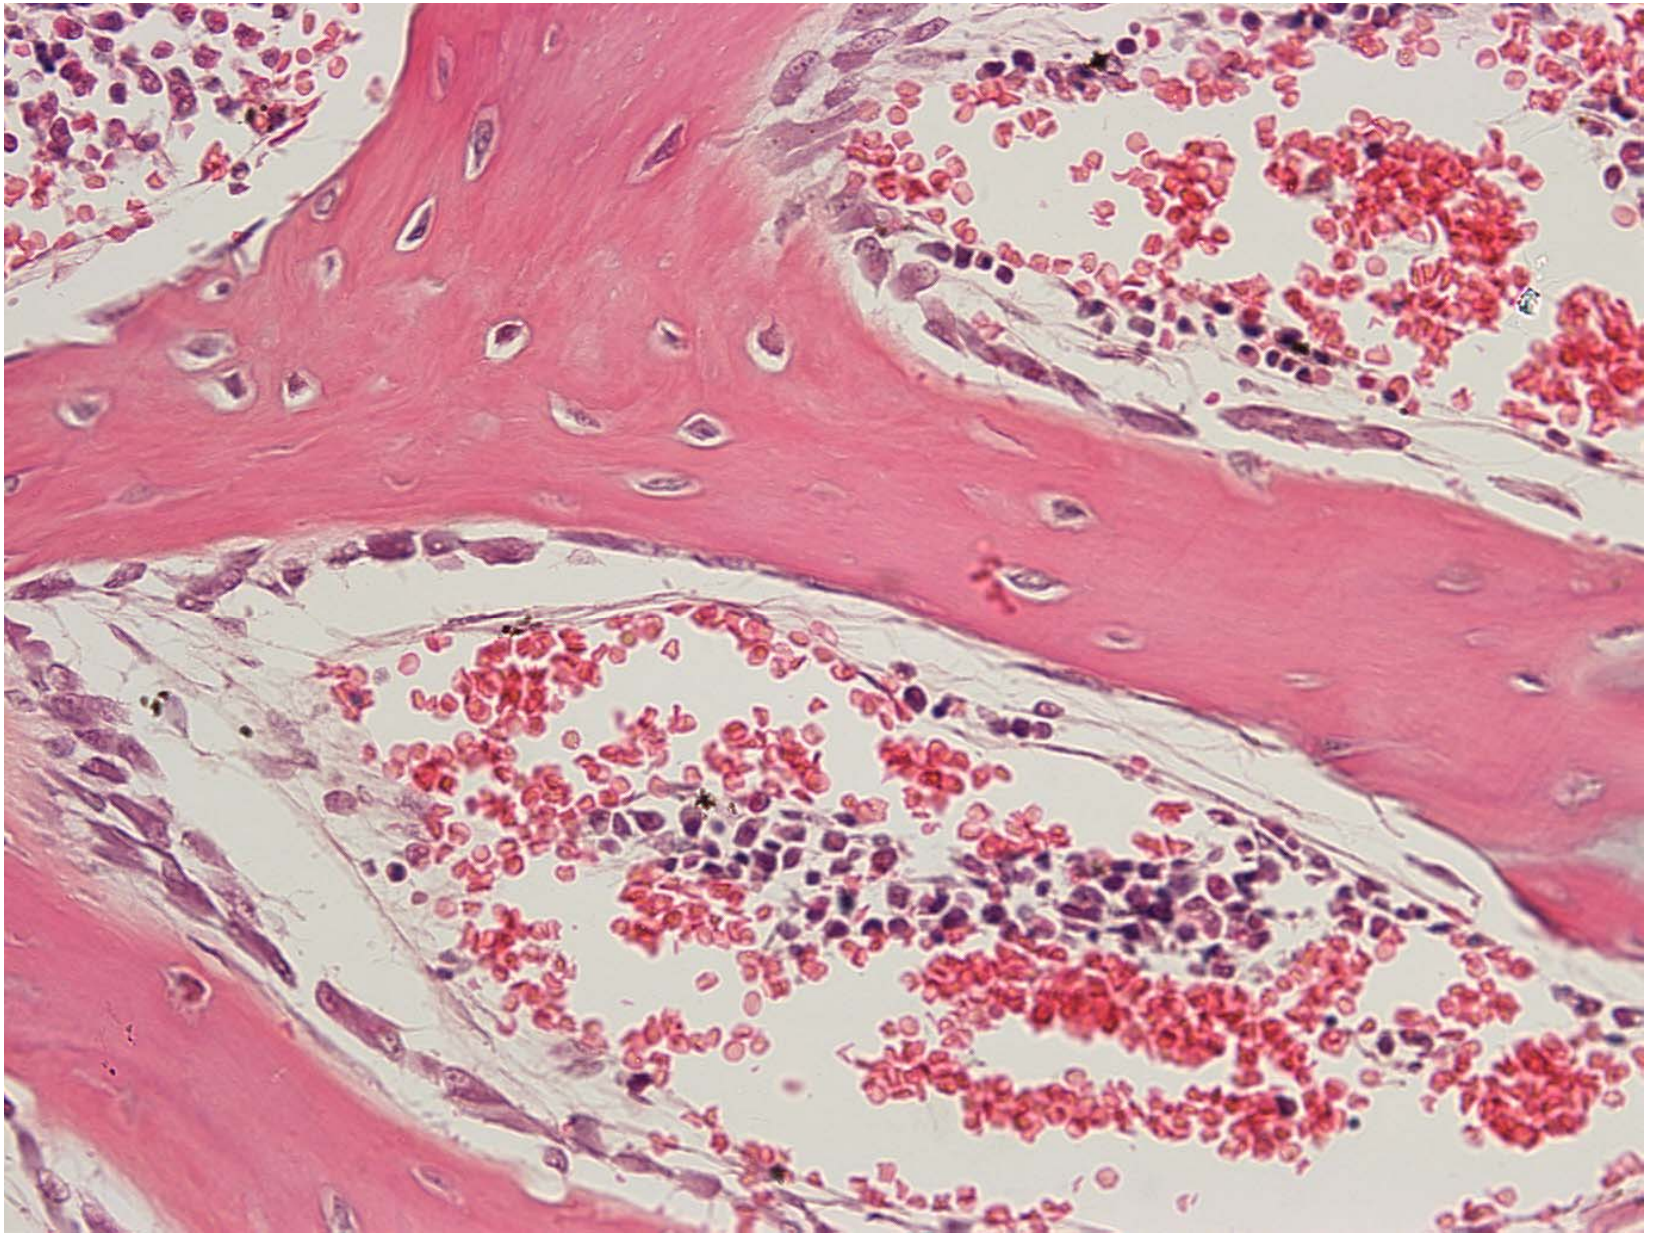

Chondrogenic layer
of perichondrium

Elastic Fibers

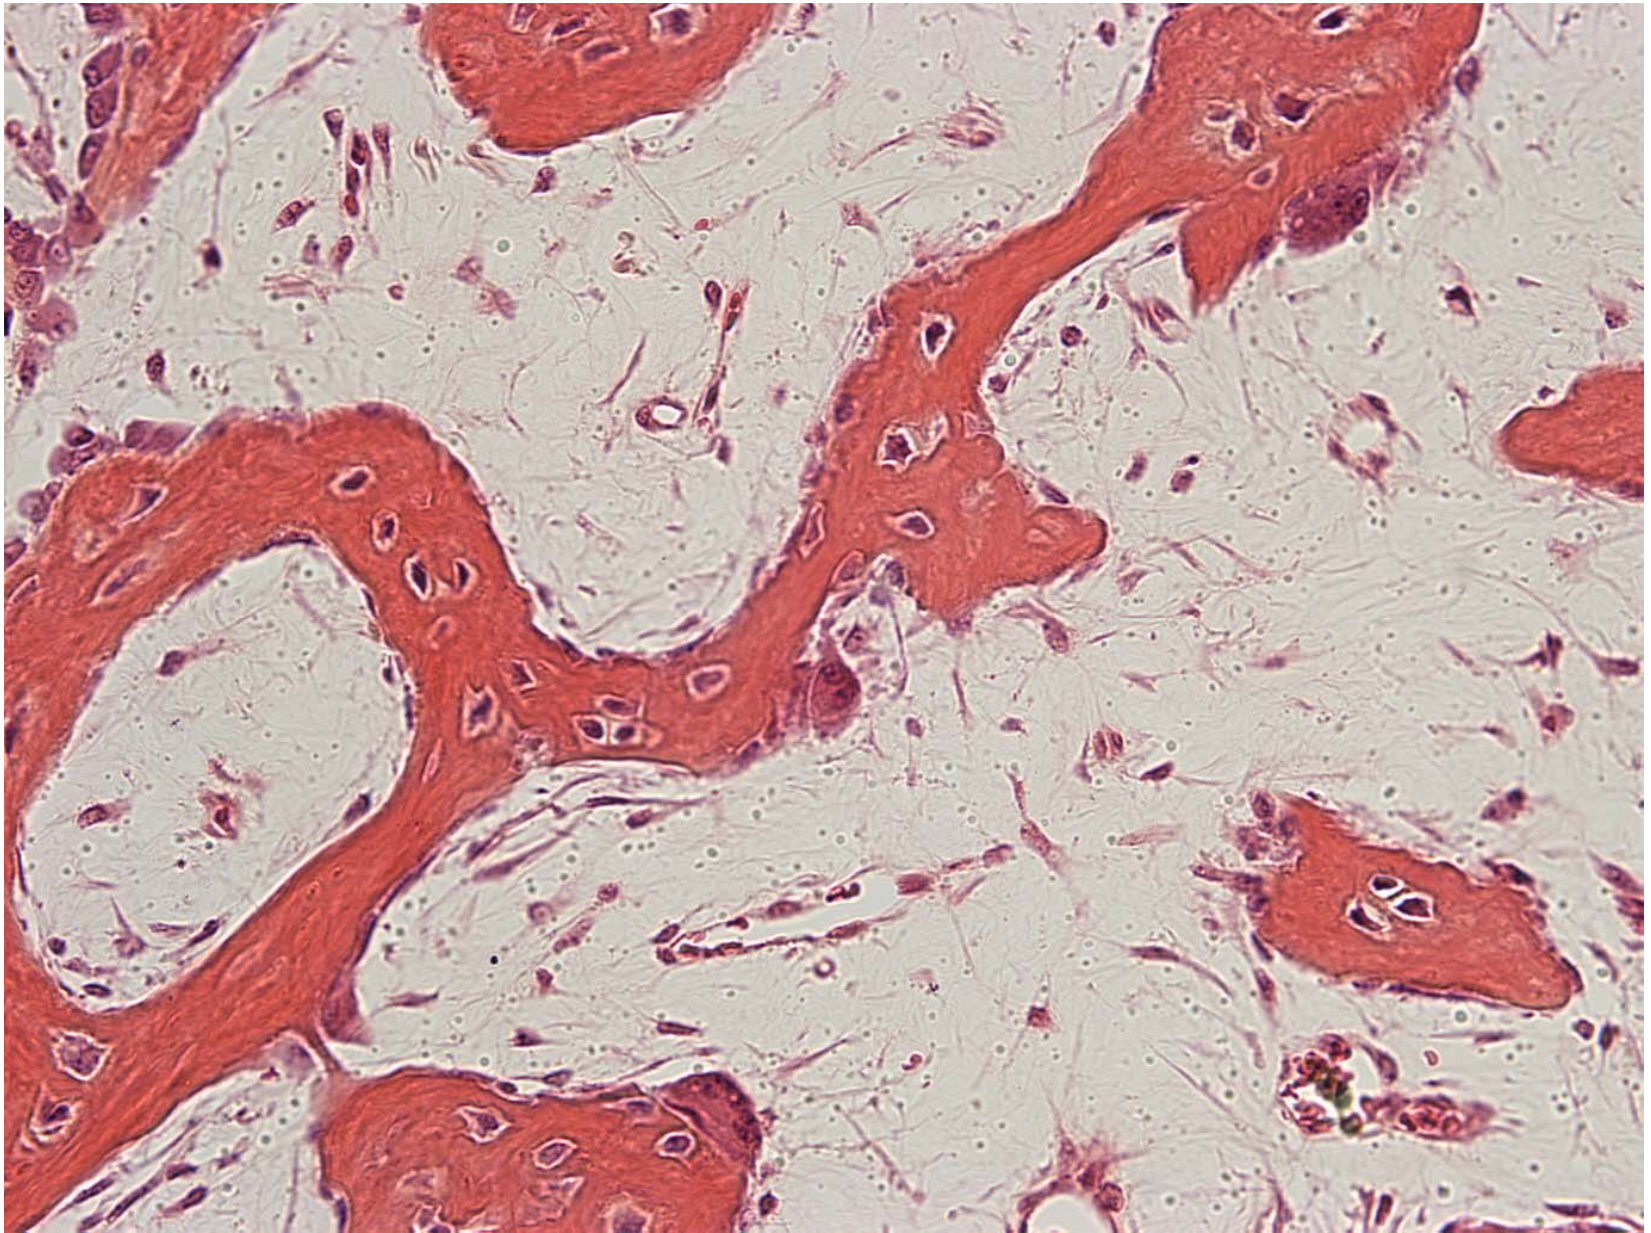

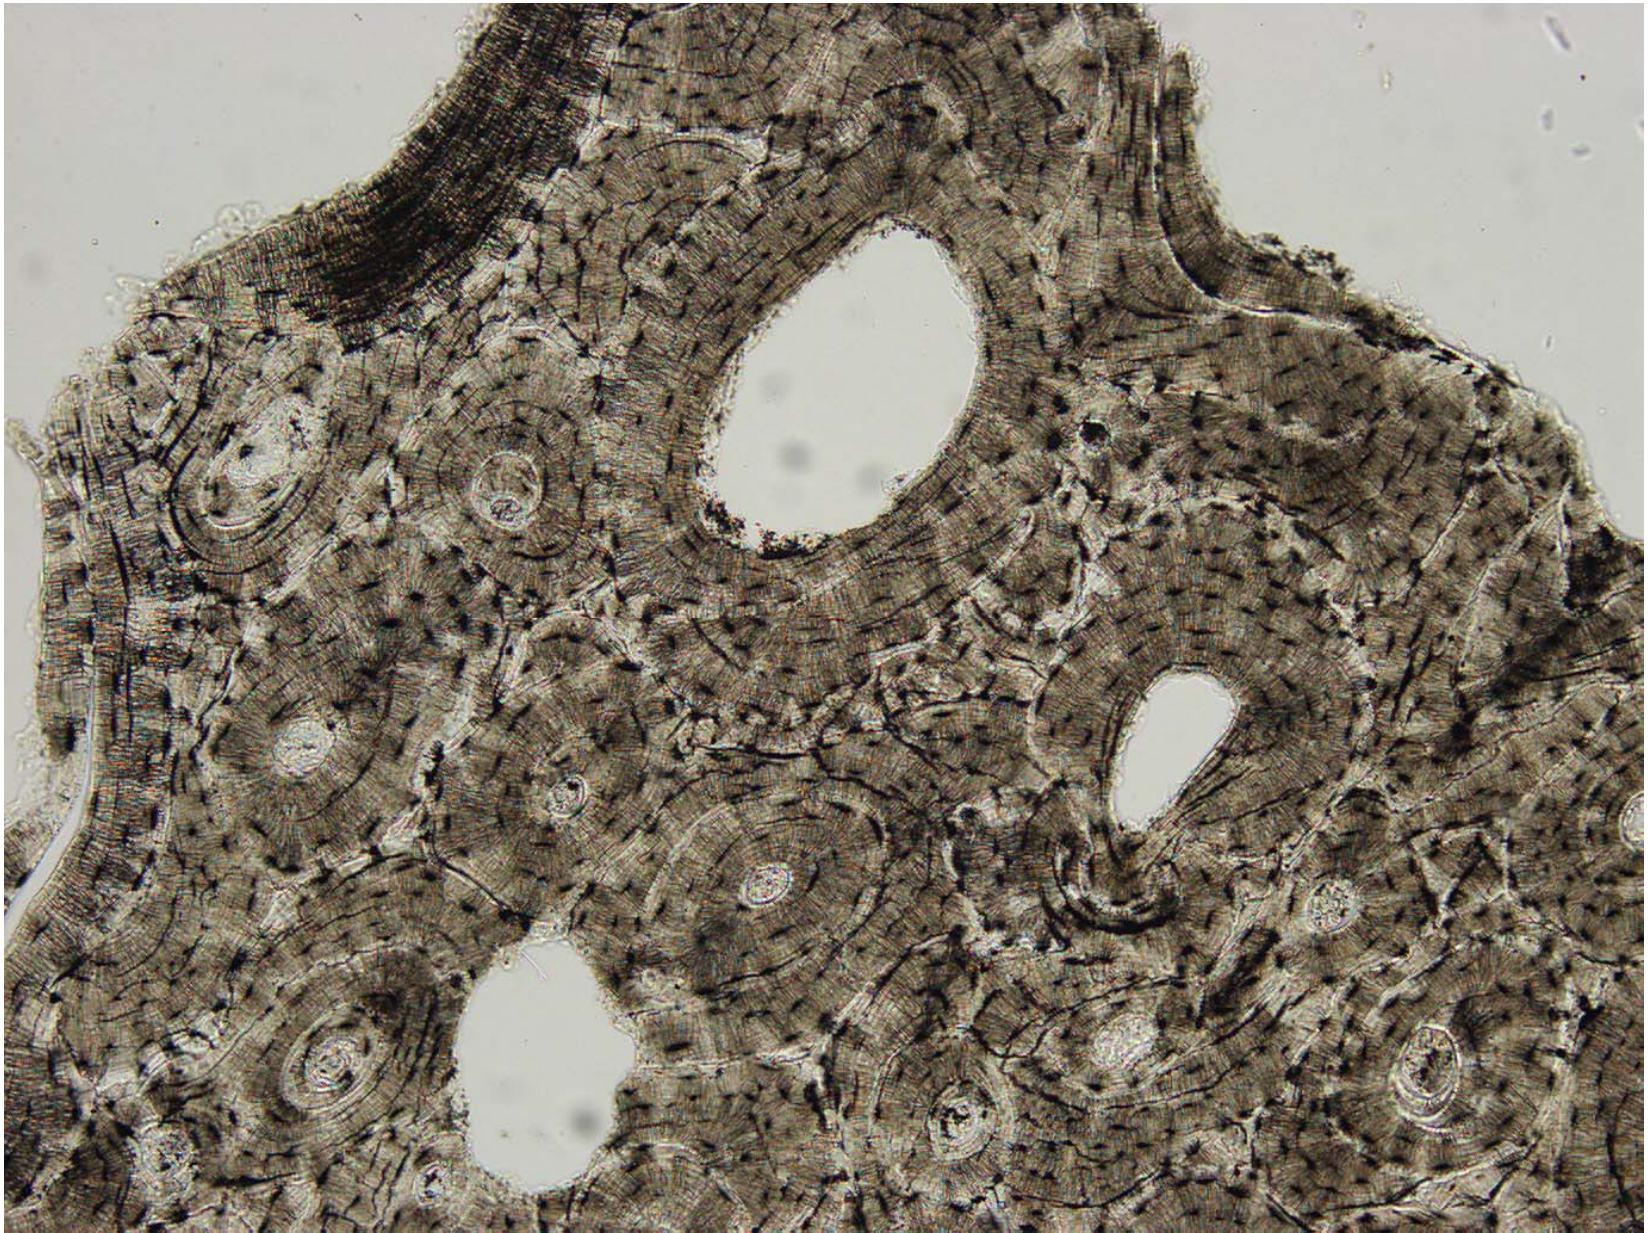

Fibrocartilage

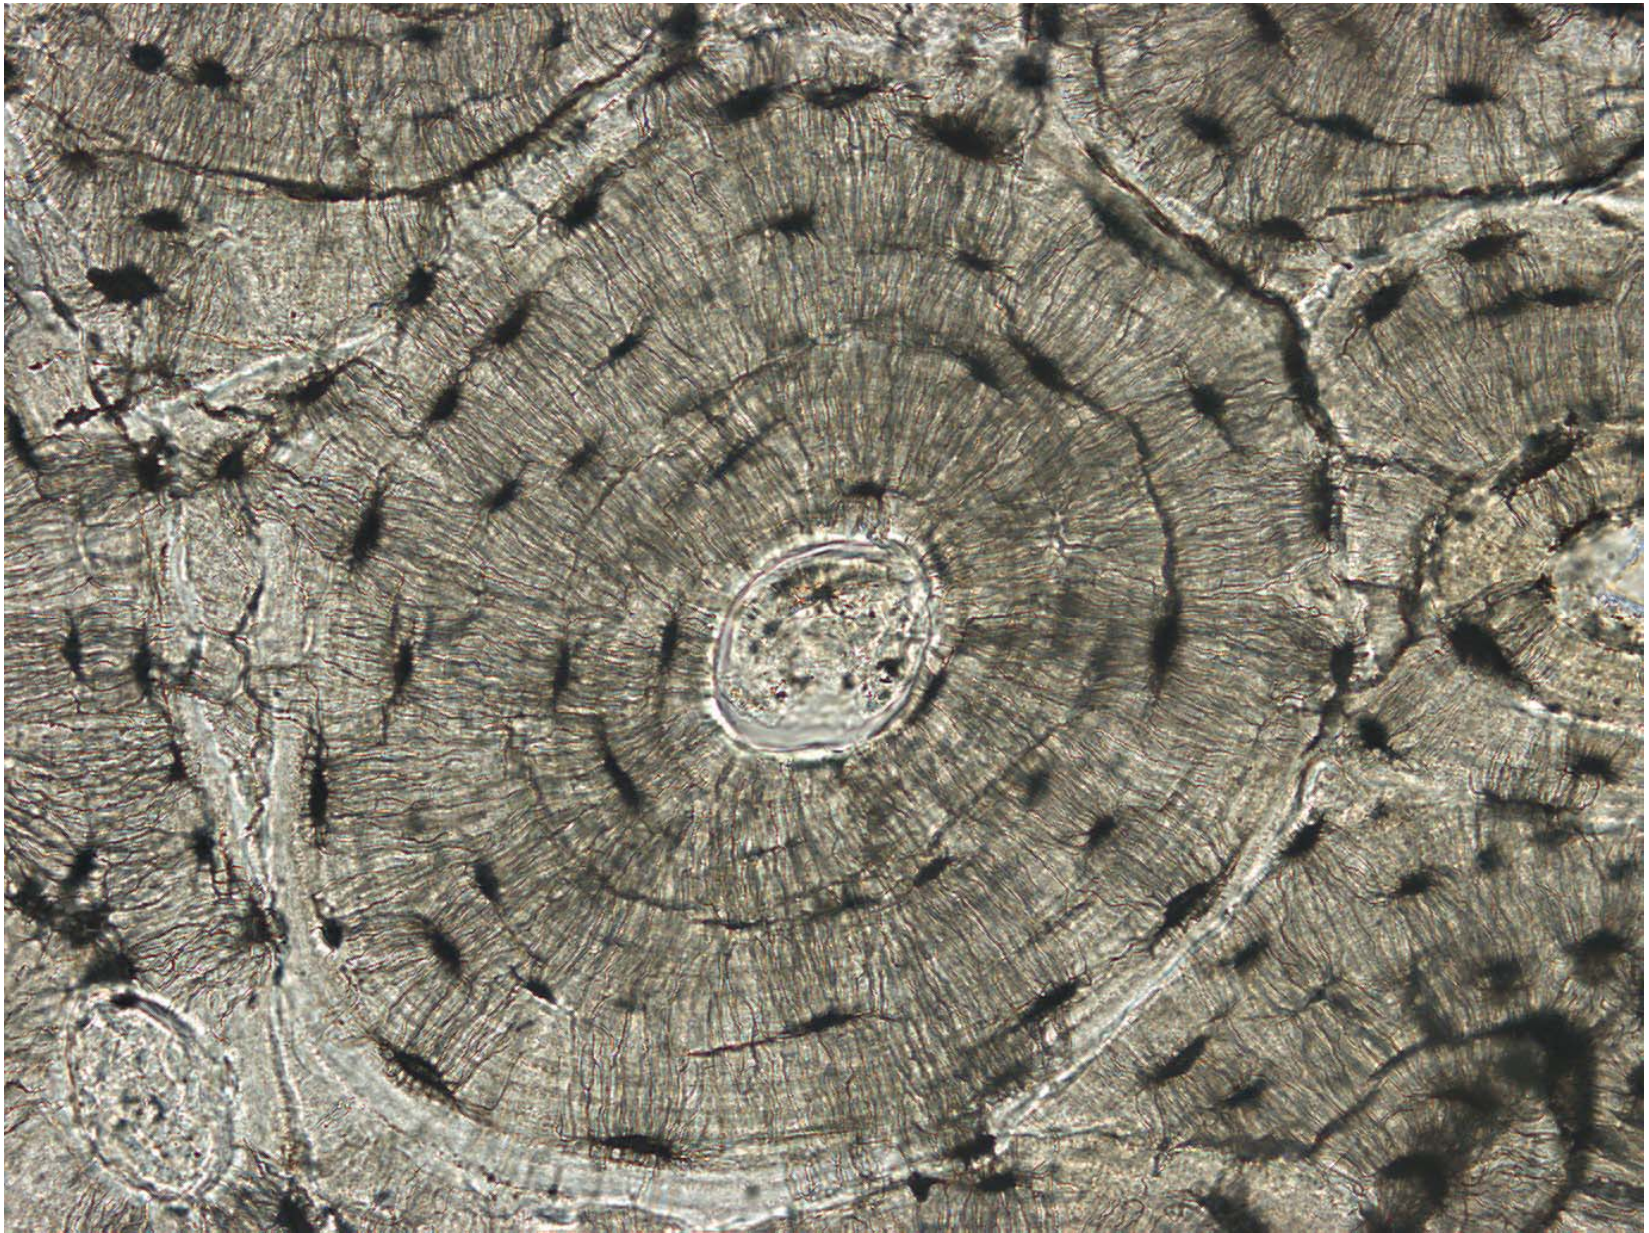

Developing bone

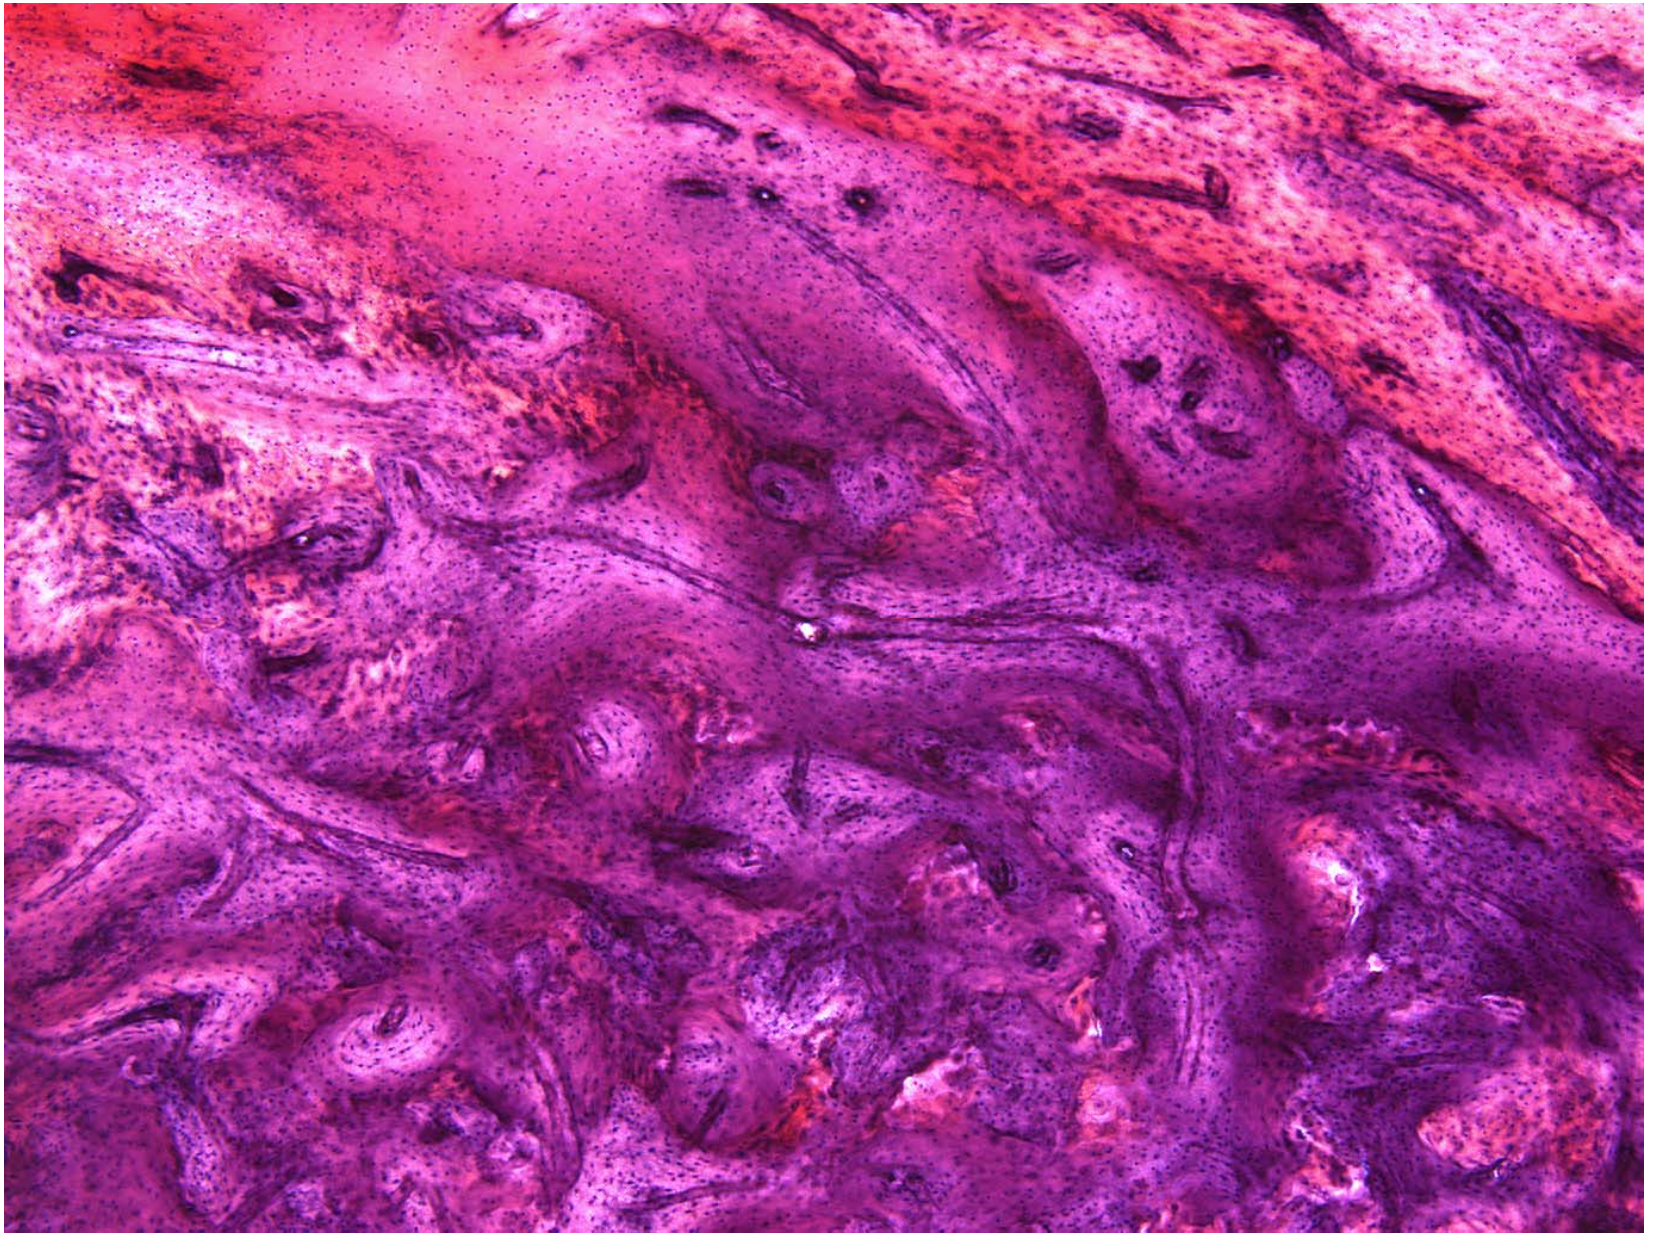

Developing bone - head

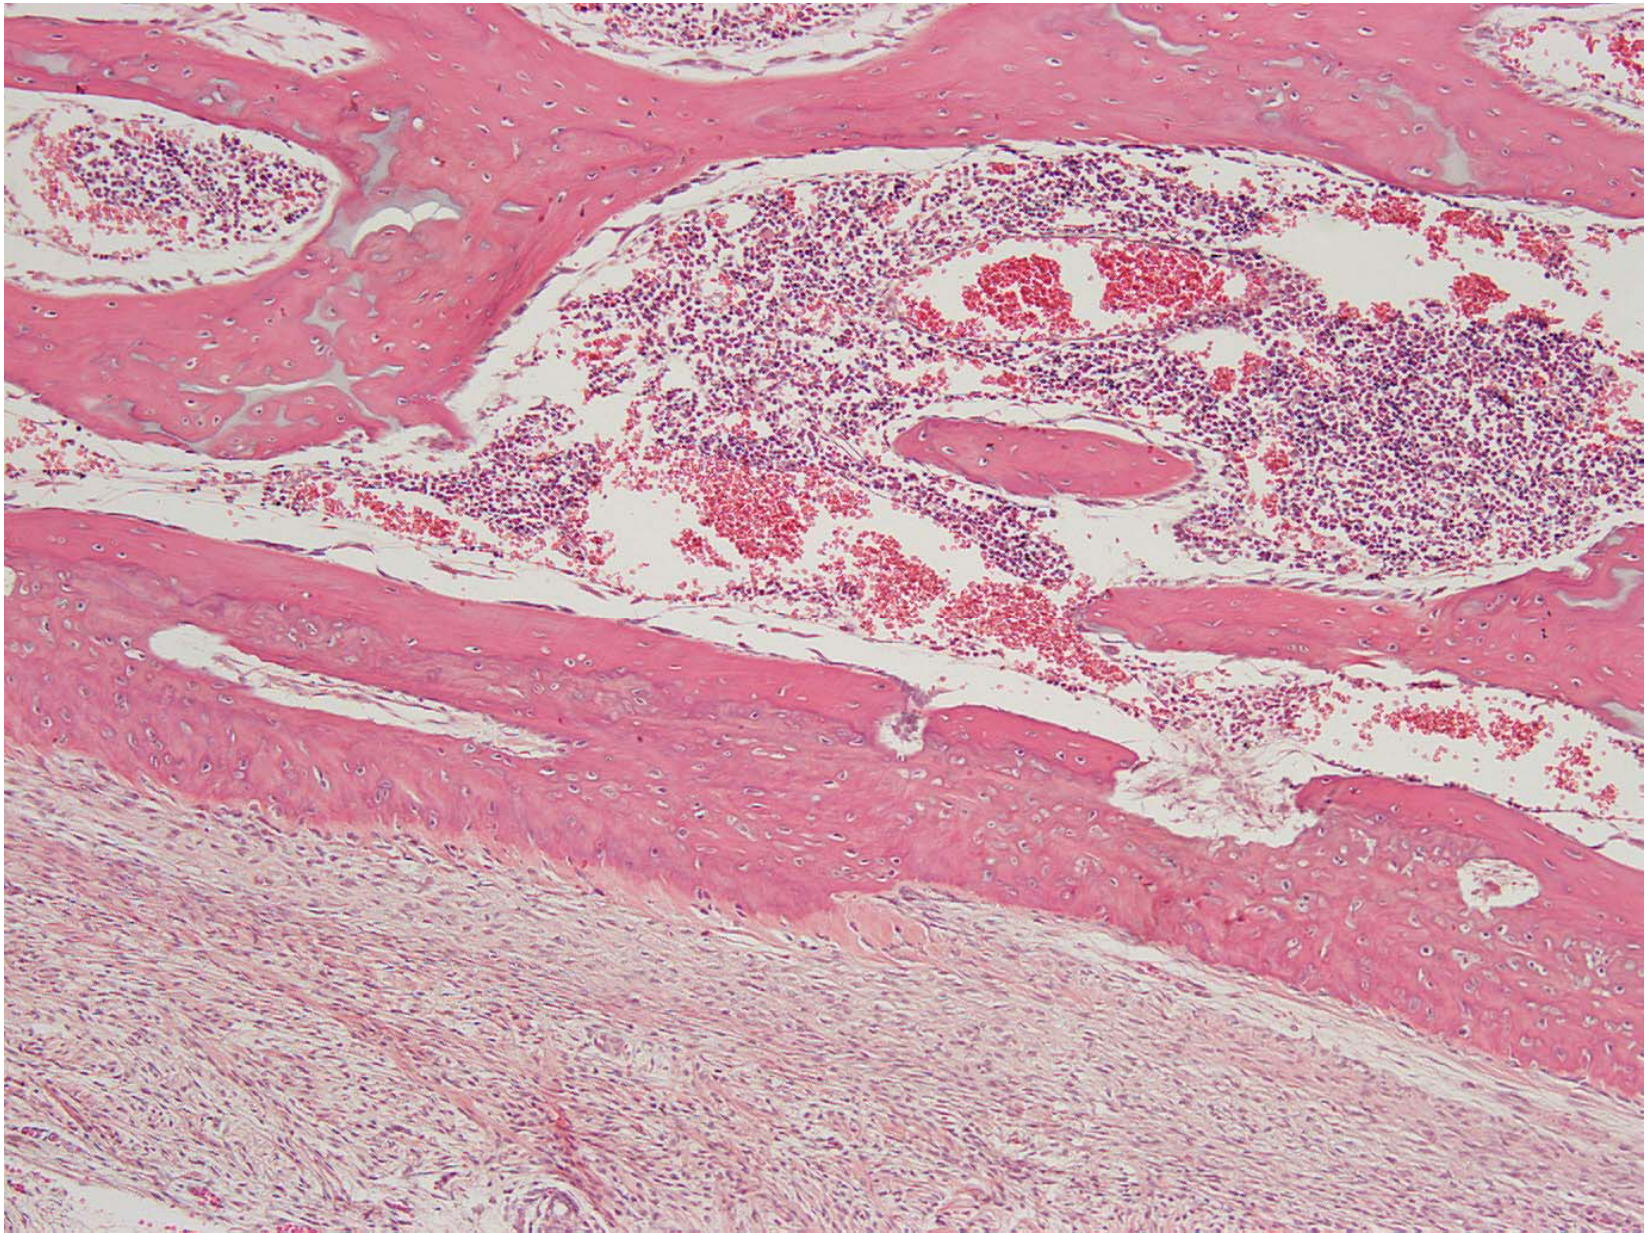

Compact bone - femur

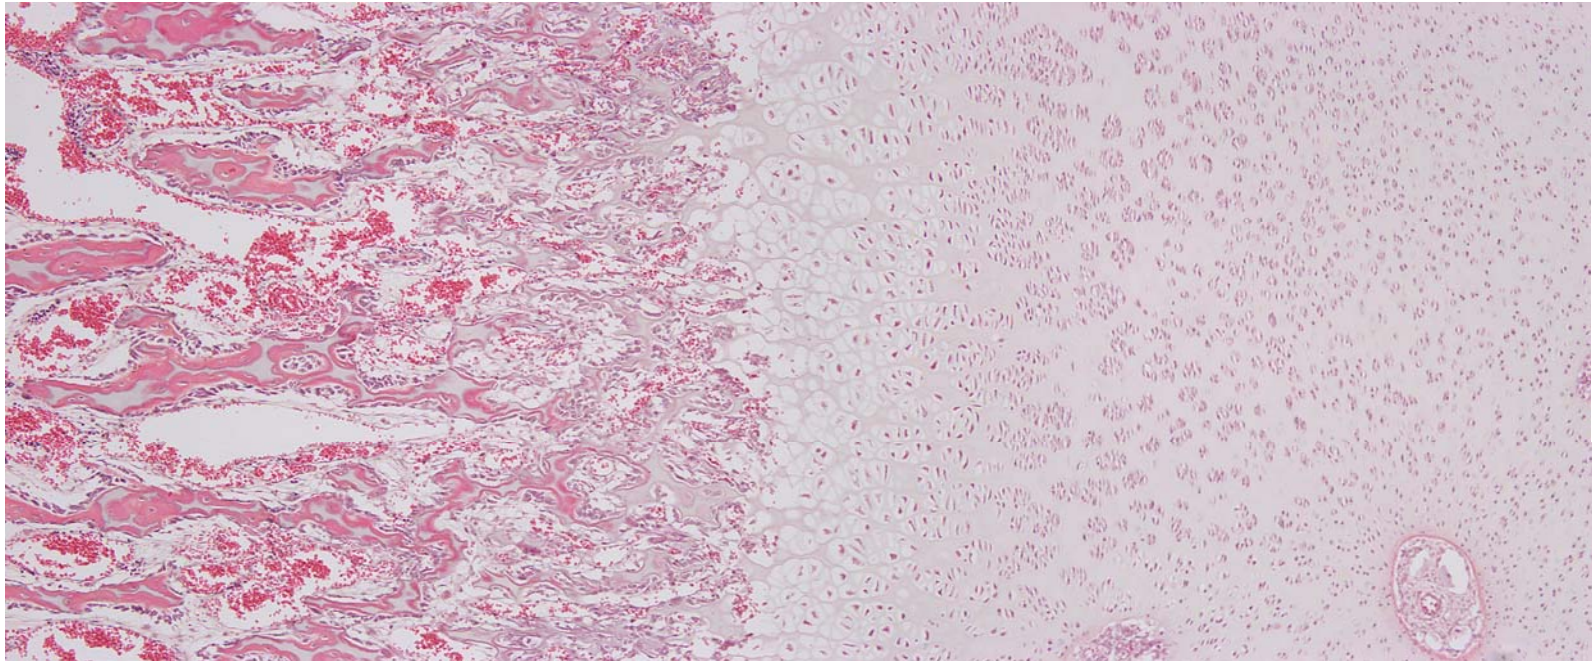

Compact bone – femur (high magnification) Osteon

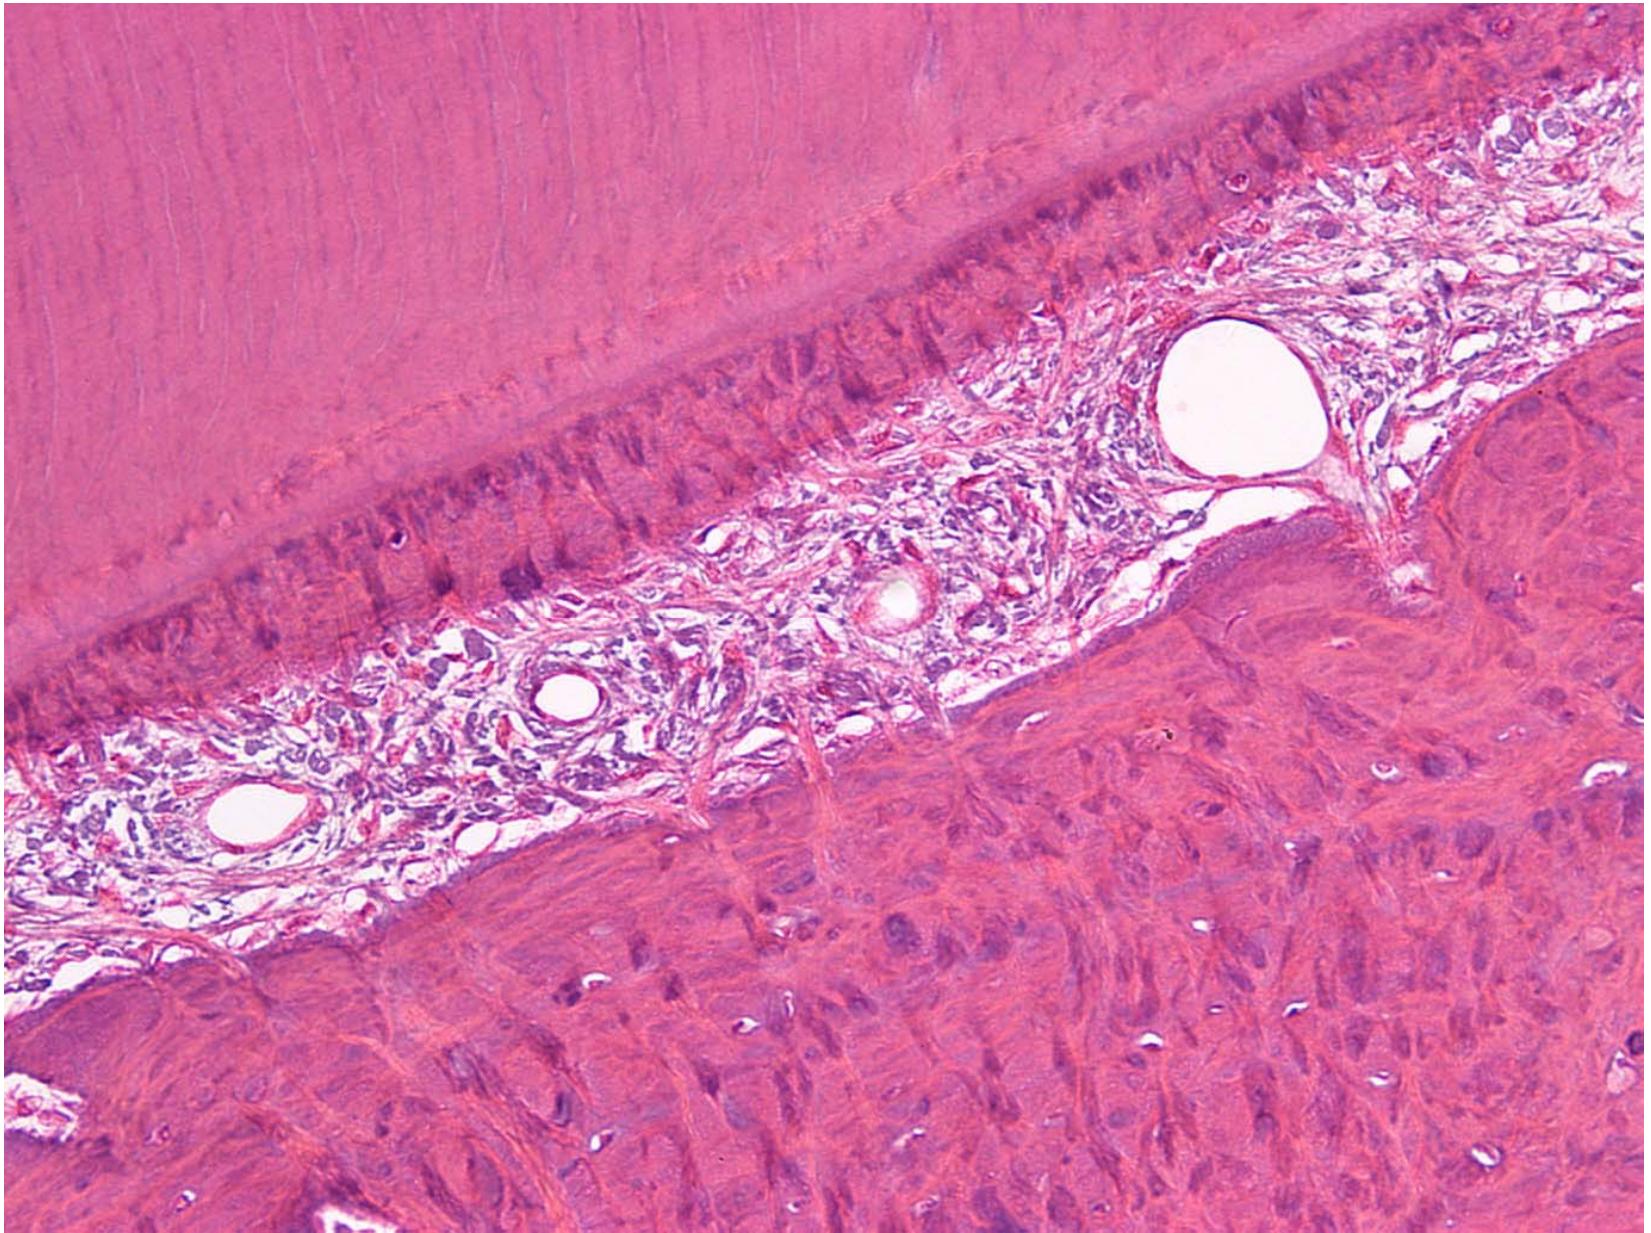

Inner ear bone

Developing bone

Endochondral Ossification

Canine mandible
